

## RG59U Coax Cable Black 100m

**Product Type:**  
Coaxial Cable

**Application:**  
A 75Ω Coaxial cable Used in the installation of CCTV equipment, Also suitable for other high frequency signal and data transmission

### Specification:

- 75Ω Coaxial cable
- Solid conductor
- Solid polyethylene dielectric
- Aluminium braid
- CPR - Cat Eca
- Cable Length:100m
- Cable Colour Black
- Coaxial Cable Type: RG59
- External Diameter: 6mm
